

WHY HIRE KIDWELL'S KLEANING?

Here are a few reasons we think you will be happy to have hired Kidwell's Kleaning:

Kidwell's Kleaning has been operating as a local Frederick cleaning service since 1990, for over 33 years! We are an established, mature, and legitimate cleaning service cleaning for the local Frederick area. Kidwell's Kleaning is not a franchise.

Kidwell's Kleaning is fully insured, bonded, and provides everything needed to clean your home except for waste can liners. (Everybody has different sized waste cans!) We provide environmentally friendly hydrogen peroxide-based cleaning agents that are also PH balanced. We never reuse any of our cleaning cloths or mop heads from house to house. Only clean and freshly laundered cleaning cloths and mop heads are used in each house we clean.

Most of the cleaning technicians have been with Kidwell's Kleaning for numerous years! We have very low turnover and are proud to say we offer a good living wage with benefits to our employees. They are truly employees with all taxes paid by the company, they are not subcontractors. They are provided extensive initial training as well as ongoing training and you can rest assured that all cleaning technicians in your home have taken a drug test and a criminal background check. We realize that cleaning is very personal in nature and want you to feel safe and secure when hiring a cleaning service who will be in your home.

We strive to provide excellent customer service to you. Open communication is important to us. If there are any concerns or issues with your cleaning service, we always want to know about it! We will do what we can to make you happy that you have chosen Kidwell's Kleaning for your cleaning needs.

Kidwell's Kleaning loves to give back to the community by offering free cleaning to those receiving treatment for cancer. If you know anyone who could benefit from this incredible service, they need to fill out a quick application at cleanforareason.org, an organization that Kidwell's Kleaning pays to be a part of while providing free cleaning to those in need.

We hope to be part of your life by providing quality and hassle-free cleaning for you so you can have peace of mind, lots more time, and a wonderfully clean space you can call home. Kidwell's Kleaning is spreading happiness by cleaning one house at a time in the Frederick area!
